21st October 2015

Dear Parents

Half Term Holiday

Just a reminder that school will close for the children at 3pm on **Friday 23rd October 2015**, school re-opens on **Monday 2nd November 2015 at 8.55am**. All holiday dates can be found on our school website.

Health & Safety

- Just a reminder to parents whose children are new to the school that no parents cars are allowed in the school car park at the start and end of the school day. We do however have some children in school who for a variety of reasons are collected by professional organisations and do need to use our parking facilities. We would hate you to think that some parents are getting preferential treatment.
- Some children have started to wear earrings other than studs, please ensure that they adhere to school policy on this matter.
- Half term is an excellent opportunity for the whole school to tackle the Headlice issue! Please would all parents check their child this weekend and take the appropriate action if needed.

Your co-operation in all these matters is much appreciated.

New build & Sports Day

Parents will have noticed that the Sports Day we were going to rearrange for the Autumn term has not taken place! We can only apologise for this as the ground works which we thought would be completed have not. However, our new build for the Reception classes is amazing and we will be offering all parents the opportunity to tour our school in the next half term. The dates for these tours will be sent out when we return to school in November.

Yours sincerely

Christine Wain
Headteacher
