

# ***Pallister Park Primary School Newsletter Spring Term 2016***

## ***Happy New Year!***

*We are delighted to be back at school after the break and to warm but wet weather! We appreciate however that this can change and normal winter weather return at any time. Whenever possible Pallister Park School will stay open. If we are forced to close for any reason then this will be placed on our school website and announcements made on local radio stations. In the event of a snowy day please do not believe something that has been posted on Facebook or ring the school. On very cold or wet days children are brought into school at 8.45am by the staff and should not arrive at school before this time, unless by prior arrangement.*

## ***School Car Park***

*Following a Health & Safety review we have been advised to follow the procedures which are in place in the vast majority of other schools and close the school gates to the carpark at the end of the school day. We have made repeated requests that parents do not come onto the school site in cars at this time, but to no avail. This action has therefore been taken to prevent any accidents on our site.*

## ***Computer Games***

*Many children have been bought games for Christmas and in the vast majority of cases these are fun and educational. However, unfortunately some children have received or are accessing games which are totally inappropriate for their age. The Local Authority is investigating what action can be taken in these instances as it is illegal for children to be exposed to content of this nature. If your child is one of these children and is pressurising you to allow them to play these games please do not succumb to this pressure. We are more than happy to talk to them on your behalf if this is the case.*

## ***Family Support Workers***

*We are delighted to now have two members of staff dedicated to supporting our children and their families. Miss McMann and Mrs Felgate are available to give you any support you require on a wide range of matters. Between them they have a wealth of expertise which they can offer to you, please just ask, we are here to help.*

## ***Attendance & Punctuality***

*The whole school attendance for the Autumn Term 2015 was, once again, good at 95.5%, despite various viruses and Chickenpox! Please continue to ensure your child attends whenever possible, and that you contact the school on the first day of absence to ensure we know the reason. Although we would always prefer a child to come to school late rather than not at all, punctuality is very important and is achieved by the vast majority of our children. Congratulations everyone.*

## ***New Children for our Nursery***

*Our two Nurseries are now fully operational and we are admitting children as they approach their 3<sup>rd</sup> birthday should their parents so wish. If you have a child aged 2 or under, or know of a parent who wishes their child to come to our school please contact the office and their name will be placed on our waiting list.*
