Dear Parents

### **Summer is coming!**

Fingers crossed it would appear that the warm weather is coming. We would ask that parents still adhere to school uniform as stated previously. Please would you ensure that all your children's clothing is labelled so that should something go missing we can return it as quickly as possible.

In sunny weather it is a good idea to put lotion on your child before they come to school. Staff are not able, for obvious reasons, to apply this for you. We will however ensure that all children have access to water so that they are well hydrated throughout the day.

### **Attendance**

Thank you so much for helping us to raise our attendance across the school to 94.9%. We are nearly at our target of 96% and are confident that with your continued support we will achieve this by the end of the summer term.

### **Parental Support**

We have asked on numerous occasions that parents do not ride bikes on our site and never transport children on site on their bikes. Please know that this request is not only for the safety of your own child but also for others. It is a very small minority of people who do this and we would ask that they stop immediately.

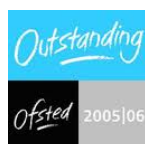

### **Summer Fun!**

Staff are busy preparing for lots of events for the summer term and parents will once again be delighted to know that these are all free of charge. This is not the case in all schools, but we are pleased that we are able to do so for our children and for parents.

Overleaf are some dates for your diary but further details will be sent to individual year groups as appropriate.

Yours sincerely
