# To achieve

Children learn in different ways and a variety of teaching styles are used to meet their needs. Pupils are taught as individuals, in small groups and in classes. By careful monitoring and assessment children are given extra support or a higher level of challenge, as appropriate. Pupils are encouraged to constantly assess their own performance and set targets for improvement.

Parents are regularly informed of their child's progress throughout the year by consultations, reports and informal meetings.

**"P**allister Park makes all the children feel part of a team, and make them feel that every child counts as an individual. You help the kids feel proud and confident. Thank you! "
