

<b>Academic Year:</b> 2018/19	<b>Total fund allocated:</b> £20120	<b>Total Money Spent:</b> £41750		<b>Date Updated:</b> July 19
<b>Key indicator 1:</b> The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school				Percentage of total money: 44%
School focus with clarity on intended <b>impact on pupils:</b>	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Playground equipment to create more active break times.	Buy new playground equipment trying to cover a range of interests.	£800	All children are active for at least 30mins a day using the equipment provided.	Increase amount of equipment and replace old with new.
Additional Swimming Lessons on top of provision for all children to receive 10 swimming lessons.	Book more swimming lessons for pupils Y2 – Y6	£4880 + (£9120)	Increased levels in Y6 25m swimming percentages.	The continuation of improvement in swimming targets.
More after school clubs, covering a greater range of activities.	Increase the number of afterschool clubs ran per half term and a broader range of sports covered.		After school timetables show both number of clubs and the sports covered.	Staff to continue the excellent provision provided.
Use of sports coaches for specific sports/activities	External sports coaches brought in to extend the range of sports on offer and expertise available.	£3425	School timetables show both number of clubs and the sports covered by external sports coaches.	Monitor sports coaches and check that they add value to existing sports provision.
Playground leaders	Support and training given to playground leaders so that they can help and direct other children to activities during break times.	£175	Number of leaders increased along with confidence of the leaders.	Increase their skills to engage more children.

Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement				Percentage of total money:
				17%
School focus with clarity on intended <b>impact on pupils</b> :	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Improve levels of equipment for the teaching of PE	Purchase new equipment to replace old and also purchase new equipment for new sports within school.	£2500	Teachers enthusiastic to use new equipment and try out new sports for their lessons.	Feedback from teachers to see what has been a success and what potentially hasn't.
Increase Sports displays and use of social media.	More display around school of children taking part in PE and sport and use of twitter to showcase the amazing levels of PE.	£400	More display around school visualising the positive impact sport has. Number twitter posts.	Look at twitter and how parents are engaging with the school.
Kit for children and staff.	Purchase kit for children and staff.	£3500	When representing the school, enough kit for every child to be part of the team! Staff also wear same kit, promoting the team unity.	Photos of teams and positive impact it has on the children getting to wear the kit. Pride.
Rewards for children	Medals and certificates as rewards for children involved with sport.	£800	Motivation to take part, increased numbers.	Look into class/team trophies for school sports days.
Sports Awards	Apply for local and national awards to demonstrate and highlight the impact that sport has on children and school.		Success in applications. National awards that the school holds.	Continue to apply and look at ways that we can improve.
School website and School Games Website.	Information available on all sport within the school.		Websites – Platinum School Games Award	Continue to apply and look at ways that we can improve.

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport				Percentage of total money:
				4%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Increased confidence in the delivery of PE	Teachers to work alongside sports lead and sports coaches so that they feel more confident in teaching PE.	£700	Higher quality of PE lessons resulting in improved skill set of children. Release of PE lead for lesson observations.	Monitor PE lessons
CPD	Staff training during staff meetings and PD days. Swimming, Inclusion & Athletics	£1050	Higher quality of PE lessons resulting in improved skill set of children. School Athletics day.	Teachers to share areas that they feel less confident.

Key indicator 4: Broader experience of a range of sports and activities offered to all pupils				Percentage of total allocation: 22%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Taster days for non-traditional sports along with alternative sports festivals.	Children to take part in taster sessions in sports that they may not have experienced before.	£1300	Children enjoying a more varied range of sports and possibly exit routes from school into outside clubs.	Invite more outside clubs into school so that children are more aware of what is on their doorstep.
Outdoor schools (Equivalent to Forest Schools)	Children to experience outdoor learning over a series of lessons.	£3300	Children attitudes to outside change and also impact on attitude towards learning as a team.	As the children get older further development of outdoor skills and interest in the environment.
Sports Specific Coaches	Children will experience a wider range of sports through the use of sports coaches that are not already in place within the school.	As previously stated	All children to experience a wider range of sports through PE and after school clubs. Engagement and participation should increase.	Monitor the number of extra sports on offer and check that they add value to existing sports provision.
Extra sports sessions	Any children who find PE and sport difficult or who are potentially worried about this area can access different session to those who aren't.	£1800	Greater attendance of these reluctant sports children.	Monitor attendance and see if they change attitude in future years to joining regular clubs.
Cycling Equipment	Balance Bike and Mini Mountain Bikes purchased.	£2600	Delivery of our own cycling scheme to improve cycling ability of younger children.	Purchase larger mountain bikes for the older children

<b>Key indicator 5: Increased participation in competitive sport</b>				Percentage of total allocation:
				13%
School focus with clarity on intended <b>impact on pupils:</b>	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Member of the Sports Partnership	Join the sports partnership programme and attend as many events as possible.	£1000	Number of events attended increases therefore the number of children participating increases.	Use of SGO data to prove attendance figures. Children want to be part of all the school teams.
