

## PALLISTER PARK PRIMARY SCHOOL/OUR CHILDREN 1st MAT

### Public Sector Equality Duty Policy

#### 1 **Context**

##### 1.1 *The Equality Act 2021*

Building on the Equality Act 2010, the Equality Act 2021 introduced a single, general duty for public bodies, including Schools, and which extends to all “protected characteristics”

There are three main elements (General Duties) which, in addition to carrying out our other core functions as a School, the Act requires us to have close regard to, namely:

1. **Eliminating discrimination, harassment and victimisation and other conduct prohibited by the Act**
2. **Advancing equality of opportunity** between people who both share a protected characteristic and those who do not:
3. **Fostering good relations** between people who both share a protected characteristic and those who do not.

The policy must apply to both pupils and adults and the principles and values it includes must apply equally to everyone.

The Public Sector Equality Duty requires all Trusts/Schools to publish information about Equalities, and the Equality Act 2010 stated that the following ‘protected characteristics’ must be explicitly addressed:

1. Disability
2. Sex (gender)
3. Race (ethnicity)
4. Pregnancy and Maternity
5. Religion and Belief
6. Sexual Orientation
7. Gender reassignment
8. Marriage and Civil Partnership

In order to help schools to meet the general equality duty, they must carry out the following two specific duties, namely:

- To publish information to demonstrate how we are complying with the equality duty; and

- To prepare and publish one or more specific and measurable equality objective

### *1.2 Pallister Park Primary School*

At Pallister Park Primary our whole school ethos is based on valuing and respecting every individual. The School/Trust has a longstanding track record for advancing equality and promoting respect for difference and diversity. This commitment is central to the school/Trust's vision, ethos and values.

Our School/Trust is fully supportive of the provisions of the Equality Act and is totally committed to advancing equality of opportunity between both people who share any of the protected characteristics and those who do not share them.

We aim to provide a safe and secure environment which is fully inclusive to enable everyone to reach their full potential.

## **2 Our Equality 'Statement of Intent'**

This statement provides information about how the Our Children 1st (OC1st) Multi Academy Trust, and Pallister Park Primary School in particular, will ensure it meets its Specific Equalities Duties.

- 2.1 We will continue to operate on the basis of a clear set of underlying principles that inform our approach to equality issues
- 2.2 We will continue to regularly review the curriculum offered to children of all ages and these reviews will include consideration of how the curriculum can provide an appropriate focus on the children's spiritual, moral, social and cultural (SMSC) development
- 2.3 We will collect and publish equality information annually, and will use that equality information to help us to:
  - identify key issues;
  - understand the impact of our policies, practices and decisions on people with different protected characteristics;
  - promote understanding between different groups of pupils and parents;
  - assess whether we are discriminating unlawfully when carrying out any of our functions;
  - identify what the key equality issues are for our organisation; and
  - prepare and publish objectives and information to demonstrate how we are complying with the PSED.
- 2.4 We will continue to review on a regular basis the variances in attainment and progress between a range of student groups, focussing on narrowing the performance and attainment gaps across a range of student groups such as:
  - Gender;

- Children with Special Educational Needs;
- Children from Black and Minority Ethnic Groups;
- Speakers of English as an Additional Language; and
- Children eligible for Pupil Premium.

These reviews will be informed by attainment tracking, lesson observations and talking to pupils, parents and staff.

Where attainment and progress gaps are identified we will use the positive action provisions of the Equality Act 2010 to take proportionate steps to help the particular groups of students concerned to overcome the identified disadvantages connected to their protected characteristics.

We will, where necessary, extend the range of areas covered by the policy to include, as many of the 9 protected characteristics identified as appropriate to our context.

- 2.5 We will publish information on an annual basis to demonstrate how the academy is complying with the PSED. This information will include, as required, information relating to people who share a protected characteristic
- 2.6 We will foster good relations between those who share a protected characteristic and those who do not share it by:
- Promoting tolerance, friendship and understanding of a range of religions and cultures through different aspects of our curriculum;
  - Working closely with parents and our local community;
  - Encouraging and implementing initiatives to deal with tensions between different groups of pupils within the school;
  - Developing links with people and groups who have specialist knowledge about particular characteristics, to help inform and develop our approach.
- 2.7 The School/Trust will establish a set of equality objectives, and will review and update those objectives at least every four years through consultation between staff, the LGB and the Board of Trustees.

The initial set of equality objectives will be to:

- Ensure all members of the school community (children and adults) feel fully included, irrespective of background or ability;
- Ensure tolerance and respect towards individuals who identify with any of the protected characteristics;
- Encourage and support all students, irrespective of their particular characteristics, to participate in the full range of school activities;
- Ensure that regular analysis of any negative behaviour incidents is used to identify, and address, any patterns related to protected characteristics;
- Ensure that the induction policy for all staff includes raising their awareness and understanding of their responsibilities under the Equality Act;
- Increase the School readiness of 2-4-year olds;

- Implement strategies to address any performance gaps between the following key groups of pupils;
    - Gender;
    - Children with Special Educational Needs;
    - Children from Black and Minority Ethnic Groups;
    - Speakers of English as an Additional Language; and
    - Children eligible for Pupil Premium.
  - Anticipate the needs of incoming pupils from any new protected characteristic group; and
  - Encourage children to consider non stereotyped career options.
- 2.8 The School/Trust will continue to develop and strengthen effective partnership initiatives with local authorities, partner schools, parents, carers, and members of local communities aimed at improving education, and fostering good relations, across all groups of pupils with protected characteristics.
- 2.9 We will regularly remind staff and governors of their responsibilities under the Equality Act; new staff will receive training on the Equality Act as part of their induction; and all staff will receive refresher training every year as part of their annual safeguarding training. Additional, bespoke, training will be commissioned if and where a need arises
