1. POSITIVE HANDLING

- 1.1. For the purpose of this policy “Positive Handling” is the positive application of force with the intention of protecting pupils re staff, limiting damage to the property. Legal framework and national guidance refer to the “use of force” - this policy uses the term “Positive Handling” whenever possible.

2. INTRODUCTION

- 2.1. Our Children 1st Academy values are as follows:
Self-help, self-responsibility, democracy, equality, equity, solidarity, openness, honesty, social responsibility, caring for others.
- 2.2. In school, these manifests themselves through our Behaviour Policy which are the behaviours we expect from one another. These are:
 - Ready
 - Respectful
 - Safe
- 2.3. At Pallister Park Primary we strive to create an environment in which both children and adults feel happy, safe, secure and valued. We aim to ensure a whole school approach to behaviour known and understood by all staff, children, parents and outside agencies.
- 2.4. The use Positive Handling upon any pupil by a member of staff is a serious matter, and should only be considered as a last resort. However, the law is clear and Our Children 1st Trust Board has a responsibility to all concerned, to support any member of staff who as a last resort uses reasonable force in accordance with the law, and with this policy.

3. AIMS OF THE POLICY

- 3.1. The aims of this Reasonable Force Policy are to:
 - Provide clarification on the positive handling in school;
 - To enable staff to feel more informed and confident when using positive Handling when they believe it to be necessary;
 - To make clear the responsibilities of Head teacher, senior staff and Trust Board in respect of this power;
 - This policy is drawn from advice contained in the document ‘Use of Reasonable Force – Advice for head teachers, staff and governing bodies issued 2013 by the Department for Education (DFE);
 - This policy is drawn from the DFE Keeping Children Safe in Education, September 2021.

4. KEY POINTS

- School staff have a legal power to use force and lawful use of this power will provide a defence to any related criminal prosecution or other legal action;
- Suspension should not be an automatic response when a member of staff has been accused of using excessive force;
- Senior school leaders should support their staff when they use this power.

5. WHAT THE LAW SAYS

5.1. Section 93 of the Education and Inspections Act 2006 enables school staff to use such force as is reasonable in the circumstances to prevent a pupil from doing or continuing to do any of the following:

- Committing a criminal offence;
- Causing personal injury to themselves or another;
- Causing damage to property belonging to them or another, including the school;
- Any behaviour prejudicing the maintenance of good order and discipline in the school.

6. WHO MAY USE FORCE?

- The staff to which this lawful power is granted are defined in the Act.
- Through this policy, the head teacher expressly gives authority to all staff who have undergone the relevant training to use reasonable force in the circumstances listed above.
- The Head also gives authority to all staff who has control or charge of pupils (including teaching staff, teaching assistants, special needs assistants, midday assistants and supply staff) who work at Pallister Park Primary School the power to take reasonable action to prevent a child coming to significant harm or causing it to others.

7. WHAT IS REASONABLE FORCE?

7.1. The term 'reasonable force' covers the broad range of actions used by most teachers at some point in their career that involve a degree of physical contact with pupils. The decision on whether or not to physically intervene is down to the professional judgement of the staff member concerned and should always depend on the individual circumstances. Force is usually used either to control or restrain. This can range from guiding a pupil to safety by the arm through to more extreme circumstances such as breaking up a fight or where a student needs to be restrained to prevent violence or injury.

7.2. 'Reasonable in the circumstances' means using no more force than is needed. As mentioned above, schools generally use force to control pupils and to restrain them. Control means either passive physical contact, such as standing between pupils or blocking a pupil's path, or active physical contact such as leading a pupil by the arm out of a classroom. Restrain means to hold back physically or to bring a pupil under control. It is typically used in more extreme circumstances, for example when two pupils are fighting and refuse to separate without physical intervention.

7.3. School staff should always try to avoid acting in a way that might cause injury, but in extreme cases it may not always be possible to avoid injuring the pupil.

SCHOOLS CAN USE REASONABLE FORCE

7.4. In situations where a pupil (including one from another school) is on school premises or elsewhere in the lawful control or charge of a staff member – for example on a school visit;

- To remove disruptive children from the classroom where they have refused to follow an instruction to do so;

- To prevent a pupil behaving in a way that disrupts a school event or a school trip or visit;
- Prevent a pupil leaving the classroom where allowing the pupil to leave would risk their safety or lead to behaviour that disrupts the behaviour of others;
- To prevent a pupil from attacking a member of staff or another pupil, or to stop a fight in the playground;
- And to restrain a pupil at risk of harming themselves through physical outbursts.

SCHOOLS CANNOT - Use force as a punishment – it is always unlawful to use force as a punishment.

DECIDING WHETHER TO USE FORCE

7.5. As a general rule staff should only use force when:

- The potential consequences of not intervening are sufficiently serious to justify it;
- The chance of achieving the desired outcome by other non-physical means are low;
- And the risk associated with not using force outweighs the risk of using it;
- Staff do not require parental consent to apply reasonable force on a pupil.

USING FORCE

- 7.6. Before using force, staff should - where practicable - tell the pupil to stop misbehaving. Care should be taken to avoid giving the impression that the member of staff is angry or frustrated, or are acting to punish the child. It should be made clear with calm language that as soon as the need for force ceases, it will stop.
- 7.7. Appropriate use of force will range from physical passive presence in between pupils, to blocking a pupil's path, ushering them by placing a hand in the centre of the back, leading/guiding them by the hand or arm, to in more extreme circumstances using appropriate restraining holds.
- 7.8. Particular attention will be given to individuals' needs which arise from children with an Education Health Care Plan or disability.
- 7.9. Whilst it is highly desirable that staff should avoid acting in any way which might reasonably be expected to cause an injury, in truly exceptional circumstances it is recognised that it may not always be possible to avoid. Any such injury caused will be properly investigated by the school and will require justification.

8. ROLES AND RESPONSIBILITIES

The Head Teacher is responsible for:

- 8.1. Ensuring all members of staff receive the appropriate training to use reasonable force. Ensuring all members of staff understand the correct conduct in terms of positive handling.
- 8.2. Handling any allegations of abuse in line with the Allegations of Abuse Policy and safeguarding policy.
- 8.3. Maintaining the Positive Handling Log and reporting on this at Curriculum, Standards and Welfare Committee meetings at least termly for evaluation and impact.
- 8.4. Ensuring that any member of staff who uses reasonable force completes the Positive Handling Report Form.

8.5. Responding to any complaints, in liaison with the trust board where appropriate, from pupils or parents regarding the use of reasonable force.

8.6. The SENDCo is responsible for:

- Ensuring training is provided to members of staff on how to handle pupils with SEND
- Ensuring staff understand how pupils with SEND may react differently to reasonable force
- Ensuring that staff understand the additional vulnerability of pupils with SEND or medical conditions
- Developing individual behaviour plans or Risk Assessments for more vulnerable pupils and ensuring teaching staff are aware of these

8.7. The DSL is responsible for:

- Ensuring training is provided to members of staff on how to use reasonable force
- Ensuring all members of staff use reasonable force in accordance with this policy
- Reviewing this policy in liaison with the Head Teacher and Trust Board

9. TRAINING FOR STAFF

9.1. Staff are trained in the safe use of Physical restraint by use of the “Positive Handling Strategy” Physical restraint is an available option, only to be used when other means of de-escalation with the situation have failed.

9.2. Staff are made aware of this policy and have training on child protection and KCSiE that will ensure they are aware of their duties and the law.

10. RECORDING INCIDENTS

10.1. Pallister Park Primary will keep a record of each significant incident of the use of Positive Handling and restraint. Whether or not an incident is significant will be a matter for the School to decide on a case by case basis.

10.2. Decisions will include the following considerations:

- The pupil’s behaviour and the level of risk presented at the time;
- The degree of force used and whether it was proportionate in relation to the behaviour, together with the effect on the pupil or member of staff
- The effect on the pupil or member of staff;
- The child’s age.
- The purpose of recording is to ensure that policy guidelines are followed, to inform parents/carers, to inform future planning as part of school improvement processes, to prevent misunderstanding or misinterpretation of the incident and to provide a record for any future enquiry.
- Parents/carers will be informed of the incident.

11. POST-INCIDENT SUPPORT

- After each physical restraint, if injury has occurred the pupil/Staff member needs to be assessed by a First Aid lead in school and recorded on the Incident Form.

- If injuries result from the application of reasonable force, medical help should be sought straight away. It is also important to ensure that staff and pupils are given emotional support;
- As soon as possible after the incident parents / carers should be informed. If necessary details of the incident will be confirmed in writing;
- When assessing the incident, consideration may be given to involving multi-agency partners to offer support or advice;
- Where a pupil is responsible for injury to another, as well as holding him/her to account and issuing appropriate sanction, the pupil will be given the opportunity to repair the relationships with pupils and staff affected by the incident. The pupil will be offered appropriate support to help develop strategies for avoiding such crisis points in future.

12. OTHER PHYSICAL CONTACT WITH PUPILS

12.1. It is not illegal to touch a pupil. There are occasions when physical contact, other than reasonable force, with a pupil is proper and necessary. Examples of where touching a pupil might be proper or necessary:

- Holding the hand of the child at the front/back of the line when going to assembly or when walking together around the school;
- When comforting a distressed pupil;
- When a pupil is being congratulated or praised;
- To demonstrate how to use a musical instrument;
- To demonstrate exercises or techniques during PE lessons or sports coaching;
- To give first aid.

13. COMPLAINTS AND ALLEGATIONS

13.1. If a complaint is made against a member of staff about the use of force the school will follow the guidance set out in Section Eight of the Use of Reasonable Force: Advice for head teachers, staff and governing bodies DfE Ref: DFE-00341-2014.

13.2. Any allegations made against members of staff will be acted upon as per Allegation of Abuse against Staff policy and Trust guidance from the Trust Designated Safeguarding Lead, the school's Education Director and the Local Authority Safeguarding Lead.
